Commissioner for Patents

NOTICE OF NON-COMPLIANT AMENDMENT

Applicant's response filed October 2, 2006, providing amendments to claims 22 and 23 and remarks regarding the rejections of record, has been received and entered into the present application.

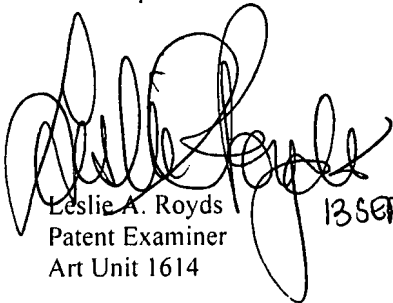

The amendment of October 2, 2006 fails to provide a complete listing of all of the claims. Claims 1-22 were originally filed, with claims 9-22 cancelled during the course of prosecution pursuant to the amendment dated July 29, 2005. In a subsequent amendment dated April 7, 2006, Applicant presented an amended claim listing, adding new claims 23-24, but omitted originally filed (but now cancelled) claim 22. In an office action dated July 3, 2006, newly added claims 23-24 were erroneously renumbered as claims 22-23. In keeping with this claim renumbering, Applicant's amendment of October 2, 2006 presented claims 1-8 and 22-23 as the claims pending and under examination and claims 9-21 as cancelled claims.

Accordingly, the claim listing of October 2, 2006 omits original claim 22 from the listing and incorrectly identifies newly added claims 23-24 as claims 22-23. In other words, the claim listing fails to accurately present the status of each of the original claims and any subsequently added claims. Applicant is requested to amend the claim listing to clearly provide the status of each of the originally filed claims, i.e., originally filed but now cancelled claim 22 should be added to the claim listing, and subsequently added claims 23-24 (now indicated as claims 22-23) should be properly reflected as claims 23-24, since claims must be numbered consecutively and claim numbers, once used to identify a claim, cannot be reused. Please see 37 C.F.R. 1.121.

A telephone call was made to Applicant's representative on Thursday, September 13, 2007 to clarify the issues described supra, but was unsuccessful in reaching Applicant's representative.

Since the above-mentioned response appears to be a bona fide attempt to reply, Applicant is given a TIME PERIOD of ONE (1) MONTH or THIRTY (30) DAYS, whichever is longer, from the mailing date of this notice within which to supply the omission or correction, as well as a proper response to the previous Office Action, in order to avoid abandonment. Extensions of this time period under 37 C.F.R. 1.136(a) are available.

Any inquiry concerning this communication or earlier communications from the Examiner should be directed to Leslie A. Royds, whose telephone number is (571)-272-6096. The Examiner can normally be reached Monday through Friday, 9:00 AM to 5:30 PM. If attempts to reach the Examiner are unsuccessful, the Examiner's supervisor, Ardin H. Marschel, can be reached on (571)-272-0718. The fax phone number for the organization where this application or proceeding is assigned is (571)-273-8300.
